EDUCATION

august 2023
december 2026

CORNELL UNIVERSITY

College of Architecture, Art, and Planning
Master of Architecture

august 2019
may 2023

CORNELL UNIVERSITY

College of Human Ecology
B.S in Design and Environmental Analysis

PROFESSIONAL EXPERIENCE

sep 2025
aug 2026

DATTNER ARCHITECTS / New York, NY

Architectural Intern

Participated in RFP for New Utrecht Library and Affordable Housing

Conducted feasibility studies for a mixed-use residential and health clinic development in Lower Manhattan.

Created visual architectural drawings, including a rendered exploded axonometric illustrating passive house strategies for affordable housing.

june 2025
august 2025

JAUD ARCHITECTS / Hanoi, Vietnam

Architectural Intern

Advanced schematic design for a riverside gallery and showroom integrated within a residential complex through drawings, massing studies, and concept development.

Analyzed urban conditions and development strategies for the Hanoi 2050 master plan through research and urban-scale studies.

june 2024
august 2024

HEERIM ARCHITECTS / Seoul, South Korea

Architectural Intern

Explored façade articulation and material expression for a luxury hotel on Jeju Island through visual and coordination studies

june 2022
august 2022

GENSLER ARCHITECTS / Los Angeles, CA

Interior Design Intern

Collaborated on schematic design for experiential interior projects, including the Google Experience Center in India and Qualcomm Digital Showcase Center, working directly with the digital experience team.

Prepared renderings, material and finish boards, and client presentation materials, and supported material selection for the Walmart Photo Studio

sep 2021
Jan 2022

WITHWORKS ARCHITECTURE / Seoul, South Korea

Design Intern

Researched and developed smart nodes as digital fabrication solutions, modeling and prototyping nodes and panel modules for building applications.

Drafted detailed documentation and architectural drawings.

ACADEMIC EXPERIENCE

FALL 2026

ARCH 5111 Core Design Studio I: Fundamentals

Cornell University, College of Architecture, Art, and Planning / Course Assistant

Lead workshops and lectures on digital modeling, architectural drawings, and physical model-making.

Hold office hours to support student projects and provide individualized design and representation feedback.

FALL 2026

ARCH 1501 Representation I: Freehand Architectural Drawing

Cornell University, College of Architecture, Art, and Planning / Course Assistant

Teach a section of 13 students through in-class demonstrations and hands-on instruction, guiding students through freehand drawings workflows.

SPRING 2025

ARCH 2613 Structural Systems

Cornell University, College of Architecture, Art, and Planning / Teaching Assistant

Guided students through structural concepts and problem-solving during weekly office hours, addressing questions related to course material and problem sets.

FALL 2021

DEA 1101 Visual Literacy and Design Studio

Cornell University, College of Human Ecology / Teaching Assistant

Assisted students during studio sessions through individual guidance and in-class support, ensuring students understood and kept pace with the course exercises and demonstrations.

AWARDS/ SCHOLARSHIPS

2026

VERTICAL FARM / YOUNG ARCHITECTS COMPETITION

Honorable Mention | YAC

This project reimagines that history by reversing the logic of extraction. Rather than pulling resources from distant ecosystems, it introduces a self-sustaining, circular system rooted in South LA.

2024

THE MARY MILLER LYONS GRADUATE FELLOWSHIP

Cornell University

Academic Scholarship

2023

2026

KWANJEONG EDUCATIONAL FOUNDATION SCHOLARSHIP

Kwanjeong Educational Foundation

Academic Scholarship

2023

SUSAN T. RODRIGUEZ GRADUATE AWARD

Cornell University

Academic Scholarship

2023

Director's Award

Cornell University | College of Architecture, Art, and Planning

Academic Scholarship

2022

IIDA 2022 STUDENT DESIGN COMPETITION

Honorable Mention | IIDA

This project designs a behavioral health clinic in Cleveland, Ohio. Inspired by the promenade, the project ensures that the users of the space feel welcomed and peaceful whilst waiting for their treatment.

EXHIBITION/ INSTALLATION

september 2025

POLILYTH / BETHEL WOODS, NY

Fabrication Assistant

Fabrication assistant for Ekin Erar and Lawson Spencers "Polilyth" Installation at Buildfest Architecture Festival.

september 2024
october 2024

FOREST CITY: GAYOGOHO:NO / EXHIBITION CORNELL AAP

Exhibition Contributor

This exhibition features our installation, made in collaboration with Bodie Chisum, Bonnie Seo, Jaewon Choi, entitled *The Story of Haudenosaunee*. It was exhibited as the culmination of the research phase of our Core Studio III: Engaged Practices which focused on understanding and interpreting Haudenosaunee cultural practices and history in preparation for a design project: a learning center.

may 2023

2023 GDIAC Showcase / CORNELL BOWERS CIS

Game Designer Team Member

This showcase features our fast-paced platformer desktop game programmed and designed in collaboration with Ankit Kakapragada, Francisco Kyriacou, Ibrahim Ismail, Joseph Tung, Linda Hu, Matthew Karwan. It was showcased to the crowd of players to play at the spot and judge.

feb 2022

LUMINANCE / CORNELL MVR EXHIBIT

Exhibition Contributor

This exhibition featured a light fixture that I have designed for an academic course: *Light In Forming Space*. Inspired by Edward Hopper's night hawks, the fixture emits lights that express duality. The smooth wooden surface and the warm light seeping out through the live hinge creates a modern and delicate sense while the shadow created by a concealed component reveals a chaotic pattern on the wall.

SKILLS

Adobe Create Cloud (Illustrator, InDesign, Photoshop, Adobe XD, Adobe Aero, After Effects, Premiere Pro, Lightroom), Rhino, Grasshopper, Revit, AutoCAD, SketchUp, Enscape, Vray, Unity, Microsoft Office, 3D printing, Laser Cutting, CNC, Woodworking,

LANGUAGES

English (Fluent)
Korean (Fluent/ Native)
